

PRINTING TIPS

EXACT SELECTIONS VARY BY PRINTER

ONE PAGE PER SHEET OF PAPER

Shows as Monday through Wednesday on one page and Thursday through Sunday on another.

Why? To have more space with larger lettering and boxes.

- Orientation: Portrait
- Size: Actual size

TWO PAGES PER SHEET OF PAPER

Shows full week on one page

Why? To get an overview of the entire week on one page, which is how standard planner pages are printed

- Orientation: Landscape
- Pages per sheet: 2 X 1
